To my friends-
I shall miss you,
for it is you that have brought a special meaning into my Life.
Thank you,
for allowing me to be your confidant and for you being my confidant.
Life without you will be strange, four years
do not disappear like the first snowfall of winter does.
I has been great watching you change,
grow and decide on careers.
You will always be present in my mind, I hope I will be in yours.
I will never forget the fun,
the sadness,
the loneliness,
the happiness,
and the times we spent together.
For those I don't know very well, but wish I knew better, do not forget the time spent at College.
Do not forget your friends, for they are something to enjoy while looking back and reminiscing.

Oh, Seniors, we're here
This is our last year
We raise high our hearts, for soon we must part

The friends we have gained, the memories retained
We'll cherish forever, MacMurray and you

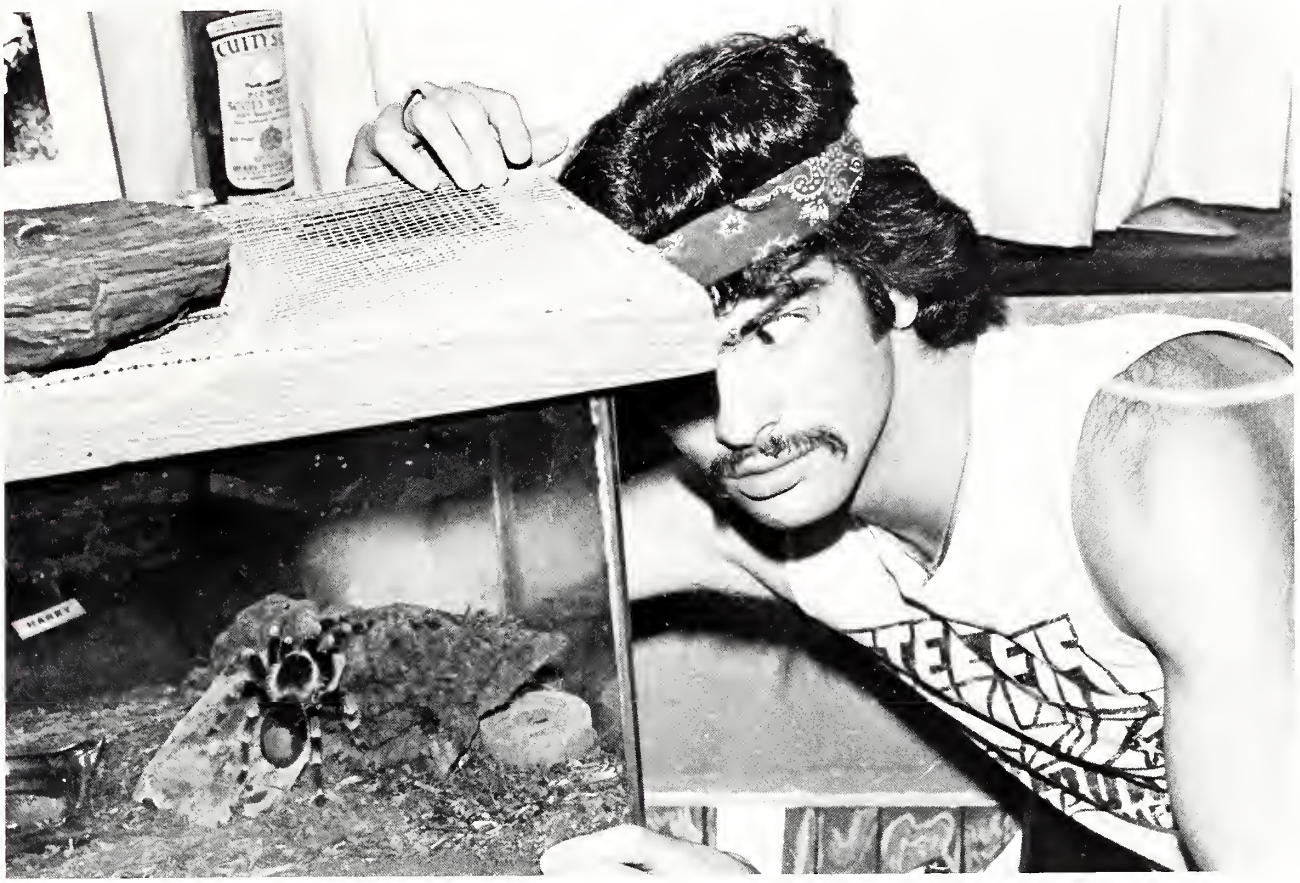
It's here we have molded, our motto's unfolded
To raise high our knowledge, faith and service too

Our years here are ending, our voices are blending
With hopes for tomorrow, as we graduate.

Andy Anderson smiles as he treks across campus.

Scummy actors Rick and Deb really ham it up.

Grin & Bear it, "Hilge"!



Sakraida & Friend: Seeing eye to eye(s)?

A HAPPY GO-LUCKY SONG

A rainbow of wishes
For sunny days so bright
Happiness always
Safety through the night
Freedom every single day
Laughter just for fun
Smiles to share with others
And LOVE for everyone!

Mmmm, it doesn't seen quite right
Mmmm, this is our very last with you.

Mmmm, and come September
Mmmm, we will remember
Mmmm, MacMurray's fun and friendships true.

Mmmm, and as the years go by,
Mmmm, we'll think of you and sigh
Mmmm, this was our very last with you.
